

Re form

Markuskirche  
An agora for Seebach, David Riedo

Coordinating programme, sharing spaces and small additions, so that church, school and community can more fully enjoy using the site.

Kirche Enge  
Glima, Eric Wuite

Light interventions that enable a wider and more flexible use of the church's interior.

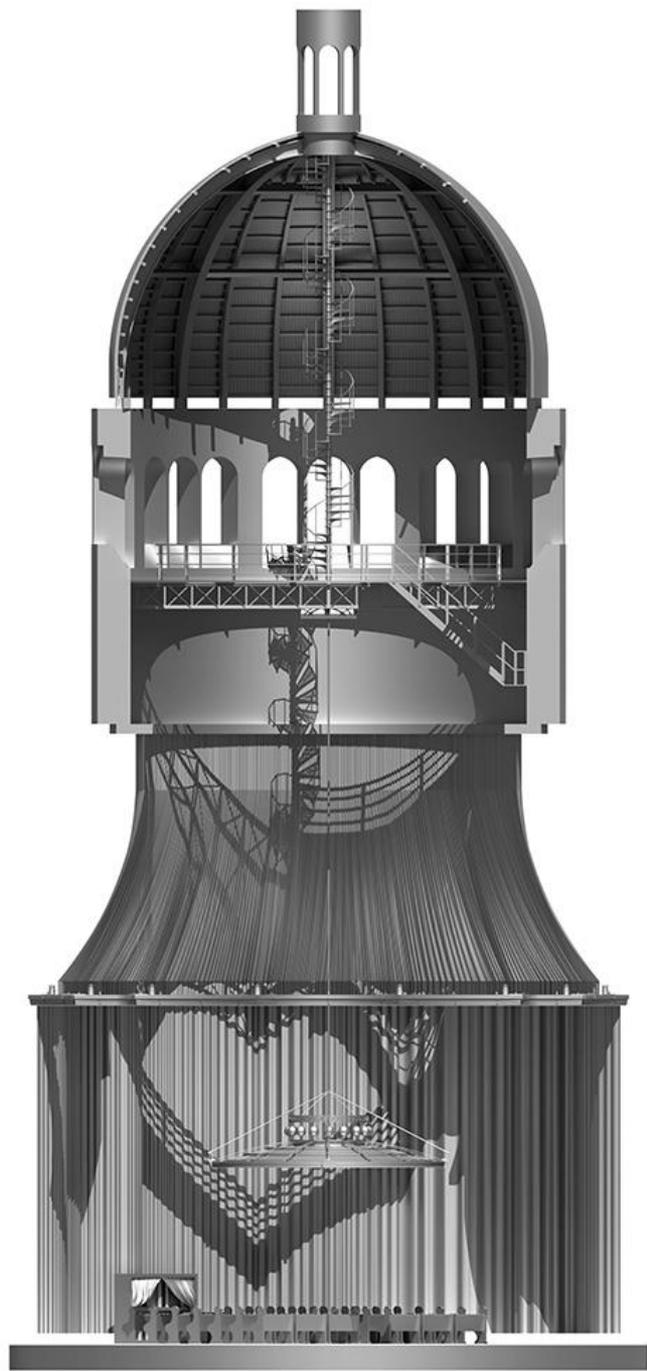

Predigerkirche  
Unconditional Refuge, Patrick Greber

The church, the city and the library working together to make a more generous provision for the most vulnerable people of Zurich. An ambitious institutional change and a much more modest architectural one.
